Frequently Asked Questions

“How can we get better connected?”

Try Bible Study! It is where our big church becomes small. At 9:30 and 11:00 there’s a class for **every member of your family**. Each class is set up by age and “stage.” As a result, **Bible Study is where friendships are made** because of how much you have in common.

“How does it work?”

Each group explores the Bible in an age-appropriate way. Teachers unpack what the Bible says, what it means, and how we can apply it to our lives.

“We’ve never gone to something like this before.”

No problem! **The environment is laid back. No one will ever call on you** to discuss, read the Bible or pray aloud. Regardless of your experience with the Bible, your family will feel at home.

“What happens outside of class?”

Adult classes begin and end with announcements for class and campus events. Parties, events, service projects, speakers... **Bible Study is where you get connected.**

“Where do we go?”

Head to the blue banner at the north end of the main lobby. Our friendly volunteers will point you in the right direction. Or... call or email one of the pastors below.
